Dear parents,

Welcome back after half term. Today we enjoyed 3F's class assembly, where we learned that Queen Elizabeth has 2 birthdays. Her real birthday is on 21st April, as she was born on 21st April 1926 but she also has a **second** one, which is the official celebration, on the **second** Saturday of June. This weekend she will be celebrating her official birthday.

Warm Weather

During hot spells please remember to send your child in with a water bottle and a sun hat. To protect their skin, it is recommended that sun screen is applied. There are many long lasting sun protection creams now available that can be applied before the children come to school.

We are very fortunate at St Mary and St Michael that most of our classes have air conditioning. If temperatures are too high, children are not kept outside for the whole of the lunch hour and we also encourage children to drink plenty of water.

Birthdays

The school no longer allows children to bring in any form of treat to give to their class. Instead when it is their birthday, they may come to school in their own clothes. If their birthday falls at the weekend, they can come in their own clothes on the Friday or Monday. If their birthday falls during a school holiday, they wear their own clothes on the last day of term before the holiday.

PE days

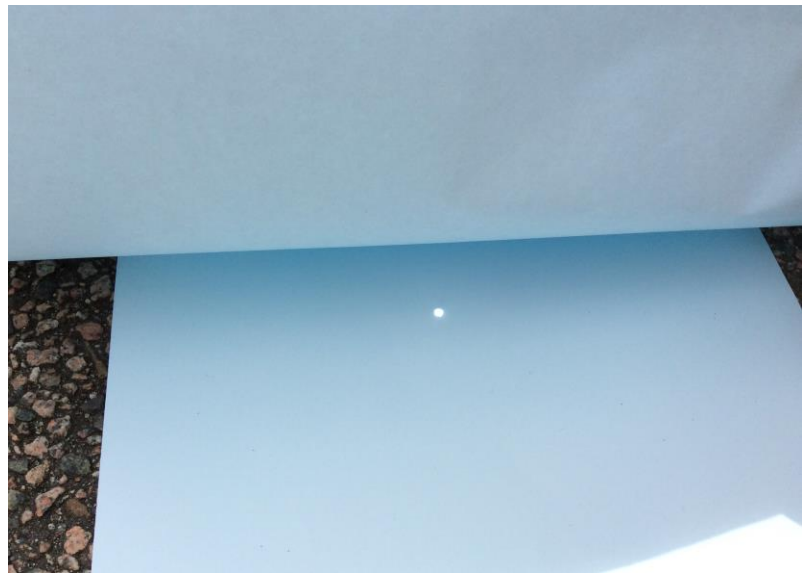

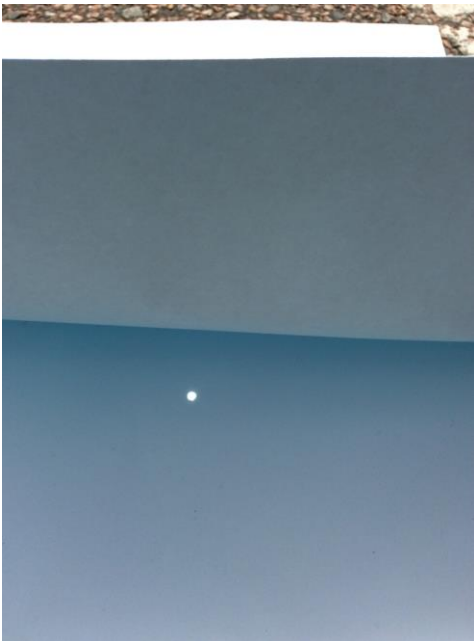

Some year groups PE day has changed this half term. See below for the day each year group comes to school in their PE kit.
