Dear Parents,

SIMS Pay 360

I know many of you have been very frustrated trying to pay online and have experienced a number of issues. Mr Marshall changed to this app for online payments, as it was linked to the financial system the school uses. Unfortunately, the transition was during Covid and this September was the first time many parents have used it. Our new Business Manager is reviewing all our current systems and if we continue to have issues, we will look at other products. However, nothing can change until the new financial year, which starts in April 2022.

Feast Day

Next Thursday 30th September, we will celebrate our school patron saints St Mary and St Michael with a Mass in church for Years 1-6. This is very exciting, as it is our first whole school Mass in over a year. The Mass will take place at 9:15am. Fr Willie is happy for parents to join us, but asks that you wear a face covering unless you are exempt. In the afternoon, we will have a Talent Show but this is for the children only.

Covid reminder

If a member of your family tests positive for Covid, I would be grateful if you could inform school. If there is a positive case in your child's class, school will send a text but your child can continue to attend school, unless they are unwell. If your child is displaying any symptoms of Covid, please get your child tested.

School is closed for pupils next Friday 1st October as it is a staff training day

Have a good weekend.

God bless,
Rachel Mahon
Headteacher

Pupil Voice 2021-2022

We have a number of different groups within the school, where pupils from different year groups put forward ideas and help make improvements. As we were very restricted last year having to work in bubbles, some children are continuing in their roles this year. Over the course of the year you will hear from these groups about what they have been doing.
