<b>Maths</b>	Measures: Focusing on length, weight and capacity Lessons 1 – 5 <a href="https://classroom.thenational.academy/units/measures-1948">https://classroom.thenational.academy/units/measures-1948</a> Explore everyday items around the house with your child. Ask them to explain if it is heavy or light. Ask them to use the words 'heavier' and 'lighter'.				
<b>Religious Education</b>	Jesus works a miracle:				

	Use attached PowerPoint to tell your child the story of Jesus curing the sick man at the pool. (The words for the pictures are in the notes section of the PowerPoint). Speak to your child about how when people are ill, people can pray for them, or we can think about them, or do nice things to help them. This could be a good opportunity to talk to your child about how Coronavirus is impacting some families. You and your child can make a 'Get Well Soon' card for someone who is ill or for the people with Coronavirus.	
<b>Understanding of the world</b>	Bake a sponge cake with your child! Encourage them to work as independently as they can – support them with using scales to weigh out ingredients. Incorporate their maths knowledge on heavy & light throughout baking – for example, 'is the flour heavier than the egg?' etc. Feel free to send your class teacher a picture of the finished product!	
<b>PSED</b>	A new normal: Lesson 3 <a href="https://classroom.thenational.academy/units/a-new-normal-bc5f">https://classroom.thenational.academy/units/a-new-normal-bc5f</a>	A new normal: Lesson 4 <a href="https://classroom.thenational.academy/units/a-new-normal-bc5f">https://classroom.thenational.academy/units/a-new-normal-bc5f</a>
<b>Art and Design</b>	Making a Get Well Soon Card for RE. Draw a picture of Jesus curing a sick man at the pool.	Music: Lesson 3 <a href="https://classroom.thenational.academy/units/journeys-and-adventures-03a3">https://classroom.thenational.academy/units/journeys-and-adventures-03a3</a>
<b>Physical Education</b>	Lovely London based <u>Joe Wicks</u> (aka <u>The Body Coach</u> ) is live on YouTube every morning at 9am from Monday to Friday. He is offering a daily 30 minute PE lesson until the schools reopen.
