NEWSLETTER 25

25th March 2022

Dear parents,

As you are aware, Ofsted were in school on Wednesday and Thursday and once the report is published, it will be given to parents.

Thank you to 4B who led today's assembly on the theme of Mother's Day.

Mother's Day is a celebration honouring the mother of the family as well as motherhood, maternal bonds and the influence of mothers in society. It is celebrated on different days in many parts of the world, most commonly in the months of March or May. This Sunday is Mothering Sunday in England and a day for us to say thank you to our mothers or any females of significant importance in our lives,

This week EYFS had a 'Morning for Mums' which was very well attended and thoroughly enjoyed by the children and their parents.

Comic Relief

Our non uniform day last Friday raised £313.60.

Have a good weekend.

God bless,

Rachel Mahon

Headteacher

A message from St Mary and St Michael's ECO Council

This is it - the final countdown! Earth Hour is happening this Saturday, 26th March at 8.30 pm.

In just one day, supporters from all over the world will be switching off their lights in support of people and the planet. In these difficult times, your participation matters more than ever, helping make Earth Hour a symbol of solidarity, unity, and a reminder that we should come together to take care of each other and the planet we all share.

As you switch off your lights this year, don't just sit in the dark for an hour - spend it with friends, family, and your community to make it an evening to remember!

Supporting Earth Hour isn't only about taking part for one hour on one day - it's about committing every day to thinking how we can take care of our planet. So this year, commit to going beyond the Hour to shape a brighter future for people and the earth, through simple yet effective actions that you can take everyday. www.earthhour.org

If you do participate, please email your photos to your child's class email address.

Thank you
